

Jamison Does It

You just bought a new home, or you're just about to. Maybe you've been comfortably settled for years. Either way, your house is on your mind.

Fortunately, it's on Jamison's mind as well. With three divisions to serve you -- **Masonry**, **Basement Waterproofing** and **Chimney Cleaning & Repair** -- Jamison Home Services can keep small problems from developing into big ones, and even help keep big problems from reoccurring.

Give us a call today to find out how **Jamison Does It**.

Proud to Be Local

One of the questions we're asked most frequently is, "But are you local? I don't want to deal with a big chain."

Based in Oreland, PA, family-owned Jamison Home Services has been serving the home improvement needs of local homes and families since 1989. We buy local, we hire local and we build local. We are committed to improving the lives of clients and employees alike at the neighborhood level.

Although our service area has grown to include **Montgomery, Delaware, Philadelphia** and **Bucks Counties**, we're still proud to have you call us neighbors.
